BRISBANE P. T. A.

A very congenial feeling prevailed throughout the meeting of the Brisbane P. T. A. who met recently to honor its Founders.

For her outstanding service in the Brisbane PTA and child welfare in this community and others, Mrs. Edward Whitson received the annual life membership award, presented by Miss Lois Barry, Principal.

Decorations and corsages, under the supervision of the Garden Club were carried out in the traditional blue and gold coloring.

Mrs. Robert Parrish conducted a short business meeting.

Girl Scouts Shirley McCollum, Vanetta Chapman, Joan Stewart, Kay Barnes, Florence Whitson and Carol Heinzer led in the Pledge of the Flag.

Mrs. J. M. Foley, president, 17th District, talked briefly on "Faith of our Founders," and advantages offered our children through the P. T. A.

Honored past presidents in attendance were Mesdames: Emma Fredricks, Walter Gull, Jacqueline Sorenson; Mable Ross, Edward Whitson, Ann Coffin, Milton Jensen, and Frank Record. Also present was Miss Natalie Lipman, district superintendent, and first holder of the life membership. Others included Miss Lois Barry principal; Mr. Jack Grabovsky, and Mrs. Milton Jensen.

Entertainment for the evening featured the Barbershop quartet, consisting of Messrs. Woodward, Duncan, King and Gagnier. A comic Spanish dance skit was presented by Frank King and Byron Jensen, with Mrs. Duncan at the piano.

The Girl Scouts, assisted by Mesdames: Nail, Wipprecht, Johnson, Whitson, and Edwards served the refreshments at the close of the meeting.

GIRLS BASKETBALL TEAM

The Girls' Team of Brisbane has gone into action. They have played two games already and although losing both they have shown improvement. The two teams played Candle Stick Cove and Glen Park who are much more experienced than our girls, but nevertheless we gave them quite a scare. The girls put out their best efforts and fine sportsmanship so nothing else can be asked of them.

Pat Norberry led the girls in points in the first game with 12 points followed by Dee Bybee with 6 points. Dee Bybee took scoring honors in the second game with 6 points followed by Pat Duescher with four points and Donna Williams 3 points. Jo Dell Pearson, Dorothy Frank and Joyce Webster all turned in fine games at the guard positions.

The girls are improving as they go along and having fun at it so we should see some victories before long.

Team Members: Forwards - Pat Norberry, Pat Duescher, Dee Bybee, Donna Williams, Colleen Allan.

Guards: Jo Dell Pearson, Joyce Webster, Dorothy Frank, Lois Heinzer, Marion Kline, Martha Cook.

BRISBANE GIRLS' CLUB

The Girls Club of Brisbane that meets at the Recreation Center every Tuesday evening recently did one of the finest things ever done by a group of kids anywhere. They held a dance at the Recreation Center and turned over all profit to the March of Dimes. "They held a dance so that someday other children would be able to dance."

I think the girls, all of them, deserve much credit for a job well done. Miss Lois Heinzer, pres., and Miss Colleen Allan, Vice-pres. can thank all the kids for their swell cooperation. The big attraction was free sandwiches donated by all the girls in the Club.

JEFFERSON HIGH

The enrollment at Jefferson Union High School, as of February 5th, was eight hundred fifty-two, according to figures released by the district superintendent, Stanford Hannah.

Classes were divided as follows: Seniors - 84 girls, 84 boys, total 168.

Juniors - 106 girls, 96 boys; total 202.

Sophomores - 135 girls, 109 boys; total 244.

Freshmen - 125 girls, 113 boys; total 238.

About 130 of the seniors will graduate in June, 1950.

It is estimated that next Fall approximately two hundred and forty freshmen will enter next Fall. "This will more than replace the graduates and the drop-outs, so our enrollment will pass the nine hundred mark," stated Hannah. "However," he continued "the entering class of September 1951 will exceed three hundred-fifty, boosting our enrollment to about one thousand. That num-

ber is going to jam the school."

The superintendent continued that this is only the beginning of a tremendous increase in the size of the local high school. Both he and the Board of Trustees are concerning themselves with the problems attendant with rapid growth.

District Superintendent.

NEW IMPROVEMENT CLUB SET UP AT BRISBANE ACRES

Organization of an association for the improvement of Brisbane Acres was announced today by its newly elected president, William F. Aberle.

At its first meeting, the association elected Aberle as president and Ted Grimes as secretary. A constitution also was adopted and several committees formed. These committees include health and sanitation, city planning, public works, and publicity.

"We will seek expenditures of adequate amounts of our tax money collected by the county for improvement of Brisbane Acres," Aberle said in outlining the purposes of the Brisbane Acres Improvement Association.

"We shall also seek fair and intelligent administration of the zoning laws so that the property values of Brisbane Acres will be protected. While we welcome legitimate light industries and wholesome commercial establishments, we are opposed to the establishment of heavy industrial plants or junk yards."

FRANK DRUHAN NAMED FOR DEBATE

Frank Druhan will represent the Brisbane Lions Club in the county Lions debating contest.

He was chosen last week at a meeting of the local Lions from among four Jefferson High School students who were present and spoke to the group.

The Club also heard a proposal for a "cleanup, paint up" campaign for Brisbane, to be emphasized at a later date.

FUNERAL SERVICES FOR PETER JORGENSEN

Funeral services were held on Wednesday, March 1, at 3 p. m. at Golden Gate National Cemetery for Peter Jorgensen, long-time resident and a veteran of three wars.

Mr. Jorgensen died Sunday in an Oakland hospital. He had lived in Brisbane for many years until he recently moved to Concord.

He leaves two daughters, Mrs. Kathryn Stewart of Brisbane and Mrs. Helen Glenn of Pleasanton and three granddaughters and one grandson.

Mr. Jorgensen was the first commander of Brisbane American Legion Post 473.

His military service started in

the Boer War when he served in the British navy. He was a commander in the U. S. Navy in World War I and as a naval reserve officer saw action in many Pacific campaigns.

SHEAR PRONGS EYE OF HOUSEWIFE

A Brisbane woman nearly lost her left eye in an accident at her home, last week, and another Brisbane resident averted a tragedy while at work.

Mrs. Joseph Heinzer slipped while holding a pair of shears in her hand and fell on them. The prongs went through her cheek, fortunately missing her eye and narrowly missing a vital point.

Fast thinking on the part of Dick Cowan, 261 Klamath Street, saved the life of a fellow worker in the Bethlehem Steel Company plant, when he pushed aside a moving bar with his shoulder. Cowan suffered a torn muscle; the fellow worker was not harmed.

EASTER SEAL CAMPAIGN

To assure continued care of handicapped youngsters in San Mateo County, the 1950 Easter Seal campaign will be conducted here March 9 through April 9 with Mrs. Cyril R. Tobin spearheading the drive.

This was announced today by Sam D. Merk, president of the Crippled Children's Society of San Mateo County, who said Mrs. Tobin had accepted chairmanship of this year's Easter Seal campaign.

"Last year more than 12,000 young people in California alone were given direct help. But even more extensive aid must be given. There are still young people in our community who need medical help, educational and vocational guidance; youngsters who are eager to become self-sufficient citizens, but who need our assistance to rehabilitate themselves," said Mr. Merk.

He pointed out that approximately seventy per cent of the funds raised stays in the community where they were contributed, and ninety-two per cent stays in California.

"This means we will be helping our own children and our neighbor's children by participating generously in the 1950 Easter Seal campaign," Mr. Merk emphasized.

Contributions received during the forthcoming campaign make possible a year round program of special care, treatment, and training for crippled youngsters. Aid is given wherever possible, whether the child's handicap be an easily discernable one or not so apparent. This includes care to children handicapped by a weak heart, or other organic illness, epilepsy, defective speech, deafness, blindness; children crippled by polio or cerebral palsy.

"Each year as our services are extended we are finding more and more handicapped children who need care. We are also finding new ways to help them, new ways to put motion into lifeless limbs, to put hope into discouraged hearts.

"But it takes more than medi-

cal knowledge, more than statistics on the number who need care. It takes a concerted effort on the part of each member in the community to bring happiness and a sense of usefulness to our crippled children," said Mr. Merk.

HONORED AT SHOWER

A recent bridal shower honoring Mrs. Donald Landree, (Virginia B. hend) was given at the home of Mrs. Alfred Pistohl, 45 Solano Street.

Hostess for the event was Mrs. A. Jennett, who has known the bride many years. Betty Pistohl was co-hostess at the affair which attracted friends from Peninsula communities.

After card games, a luncheon was served at a table decorated with white and pink stock and white tapers.

Mrs. Landree is completing her senior year at San Jose State College. She is a graduate of Jefferson Union High School and San Mateo Junior College.

Her husband, a graduate of both Jefferson and the junior college, is completing his electrical engineering course at a Wyoming college.

Guests present at the shower were Colleen Van Kirk, Hazel Henderson, Doris Christens, Delores Van Kirk, Alice Johnson, Ethel Nail, Martha Adkisson, Agnes Whitson, Lucille Parrish, Barbara Sullivan, Dorothy Woodward, Lea Fisher, Mesdames: E. Koster, T. Bhend, A. Pistohl, J. Thomilson and Ray Record.

He Got the Girl

A YOUNG Frenchman, poor but ambitious, was anxious to marry the daughter of a certain gentleman of wealth. He consulted a lawyer friend as to how this might be accomplished.

"I have been invited to dine at that gentleman's house next Wednesday," the lawyer said. "Just leave the matter in my hands. But, first, let me ask you a question: Would you suffer anyone to cut off your nose if he would give you a hundred thousand francs?"

"Of course not," was the reply.

"Very well," said the attorney. "That's all I wanted to know."

At the dinner, the lawyer adroitly brought up the suitor's case.

"By the way," said the rich host "can you tell me whether that young man has any money?"

"Yes, I can," said the lawyer. "I understand he has no ready cash at present, but I also know for a certainty that he has at least one asset for which he has been offered, and for which he has refused a hundred thousand francs."

The young man got the girl—with a handsome dowry.
